Gay N. Martin : Louisiana Off the Beaten Path, 8th (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Louisiana Off the Beaten Path, 8th (Off the Beaten Path Series):

0 of 0 people found the following review helpful. Love, Love It!!By MargaretThis book is a gem! Even though my husband and I are Louisiana natives and still live there, This book is a wonderful roadmap to the many and varied places to visit in our state.0 of 0 people found the following review helpful. Unique Louisiana GuideBy Ken W.

Hilston Jr. I was intrigued by some of the more unique places and helped me find a great B and B in the swamp- living in another world. Without the book I would not have found it, and when I went back to the web, that B and B was well hidden. 0 of 0 people found the following review helpful. Great guide book By Bridget Preiss This book was a gift for my brother who lives in Louisiana. We used it immediately when he opened it and went to explore the area north of Baton Rouge. The guide was accurate as far as the two plantations we visited. If you're in the area, make sure to visit Rosedown plantation--the tour and guide were excellent.

Louisiana is a mecca for offbeat attractions, and this guide shows you the best. Have your picture taken with an alligator (or eat one); take a swamp cruise through the Venice of America; visit the Authentic Bonnie and Clyde Museum, and much more. Laissez les bonnes temps roulez!

From the Back Cover Tired of the same old tourist traps? Take the road less traveled and uncover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path features the things you'd want to see if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: I didn't know that! Discover a different side of the Pelican State. Grab a quick bite (to eat) and a peek at the baby vampire bats at the Transylvania General Store. Ride over a pirate pistol-adorned bridge to swashbuckler Jean Lafitte's stomping grounds. Walk through a colorful garden of good and evil in The Chauvin Sculpture Garden. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path.
