Gay N. Martin : Louisiana Off the Beaten Path, 9th: A Guide to Unique Places (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Louisiana Off the Beaten Path, 9th: A Guide to Unique Places (Off the Beaten Path Series):

4 of 4 people found the following review helpful. Very well laid out and very descriptiveBy Capt. JMy wife and I lived in New Orleans in the late 70's and I often traveled to Houston and through the Cajun Country but seldom had

time to get off the beaten path to spend time in any of the places so well described in this book. The author has really kindled our interest in returning to one of our favorite areas of the country and now that we're retired, we look forward to going back to Louisiana for a vacation with time to investigate some of the regions we never explored previously. He has peaked our curiosity with his descriptions of many places we never knew existed during our three-year residency in New Orleans. We look forward to investigating all the regions and many towns as we eat our way through the state!

0 of 0 people found the following review helpful. Utilitarian guide to Louisiana, not a detailed exploration. By M. Flynn This book is fine, has a good bit of info about the state. Somewhat skimpy, little depth in articles. Still, it proved itself useful when I referred to it for where to go. Decent index, but, on Kindle app, word searches worked best.

0 of 0 people found the following review helpful. Two Stars By Galen A. Light Old. Out of date. Uninteresting.

Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let Louisiana Off the Beaten Path show you the Pelican State you never knew existed.

From the Back Cover Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let Louisiana Off the Beaten Path show you the Pelican State you never knew existed. Grab a quick bite (to eat) and a peek at the baby vampire bats at the Transylvania General Store; ride over a pirate pistol-adorned bridge to swashbuckler Jean Lafitte's stomping grounds; or walk through a colorful garden of good and evil in the Chauvin Sculpture Garden. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path.
