James Kavanagh, Waterford Press : Louisiana Trees Wildflowers: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Louisiana Trees Wildflowers: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. Great Basic Guide By Confessor Great basic laminated brochure guide to Louisiana trees and wildflowers. While very basic, I have found this guide to be accurate and effective for me in identifying trees and wildflowers on my acreage and out in the woods. 0 of 0 people found the following review helpful. Five Stars By Beverly great 0 of 0 people found the following review helpful. Good info By Sunshine Helped alot.

The state flower, the Magnolia, is one of thousands of species of plants growing in the diverse ecosystems found throughout Louisiana. This beautifully illustrated guide highlights over 140 familiar and unique species of trees, shrubs and wildflowers and also includes an ecoregion map featuring prominent botanical sanctuaries. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and is ideal for field use by visitors and residents alike. Made in the USA.

About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
