Deborah Wing Ray, Gloria P. Stewart : Loyal to the Land: The History of a Greenwich Connecticut Family

before purchasing it in order to gage whether or not it would be worth my time, and all praised Loyal to the Land: The History of a Greenwich Connecticut Family:

Loyal to the Land, an impeccably researched and highly readable chronicle, accurately records 350 years of Reynolds family history, and in so doing reflects the socioeconomic history of Greenwich, Connecticut and adjacent communities in New York State. Essentially a book about people, it recounts innumerable intimate details about the world in which the Reynolds lived during those years. This is a lively book full of unforgettable and fascinating anecdotes.

About the AuthorThe authors, Deborah Wing Ray and Gloria P. Stewart, wrote "Norwalk, Being An Historical Account of That Connecticut Town", which is now in its second printing. They both live in Norwalk and have been on the Norwalk Community College faculty.
