LUXE City Guides : LUXE New York (1st Edition) (LUXE City Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised LUXE New York (1st Edition) (LUXE City Guides):

MoWeezyI bought this here b/c it was cheaper than advertised on Birchbox. Basically, it was marketed as a guide to "hidden gems of NYC" which, as someone who has done some sightseeing in NYC, appealed to me. I was hoping it'd be full of cool places to discover, like a hidden corner of Central Park or a great place for being surrounded by New York history. Sadly, it's just a guide to very expensive shops, hotels, and other similar experiences. They all look REALLY cool and amazing (vintage menswear/accessories! Hotels where Kings have stayed! Bars that don't have cocktail menus everything is custom!) but basically are affordable for the average traveler. Should have guessed with a name called "LUXE New York". 0 of 0 people found the following review helpful. An Essential Item By abcc05New York is full of restaurants, hotels and million of attractions. If you want to know where the best and most memorable spots are, buy this guide. It's also perfect for people who have already been to NYC many times (already done the touristy thing), and now want a unique and highly curated experience. Note: the guide is small, and is not the traditional travel guide (there are no photos or maps or historic insight). You will not waste your time reading long reviews. The information is to the point and reviews/suggestions are very short and concise. There is only very current, honest and opinionated info on the best of the best a city has to offer. 0 of 1 people found the following review helpful. LUXE New York: A Personal Favorite By Lewis Fein Every time I travel to New York City, I'm both overwhelmed and overjoyed. Overwhelmed because there is so much to see and do, from spending time with friends and relatives to checking out a bunch of places I want to explore. Overjoyed because, well, I want to hang out with my friends and make the most of my time in Manhattan. With LUXE New York, I have an excellent resource at my disposal: a tool with the information I want, as opposed to touristy nonsense that leads you to the same places - sorry but Times Square is not "New York" - and the same restaurants. No, I want a travel bible written by people who have opinions - major praise for my fellow opinionated travelers! - who understand this fundamental rule: commentary about a city's hidden gems, those locales you may not know about it (but definitely want to visit), the inside scoop of the very best of Manhattan -- that intelligence is gold, and worth every ounce. When I return to New York City, hopefully in the next few months, LUXE New York will be at my side.

Iconic, majestic, grand, kitsch, the tops, the bottoms, the kit and the kaboodle, NY is one huge and mercurial melting pot. Fashion forward, status conscious, food and culture epicentric, exasperating, exhilarating and never out of vogue; welcome to the fabulous Wintour Wonderland... Want the very best of New York in one glam little pocket/purse-sized companion? Want to find the most glamorous, red carpet-ready vintage gowns and jewellery? Want to feast on the city's best bites at humble burger joints or gastro temples? Want perfume, stationery, ceramics, lingerie, suits and ties made just for you? Want your own personal shopper or art guru to guide you to the city's treasures? Want perfect cocktails in funky modern speakeasies or charisma-stacked old bars? Want to find the finest shops, restaurants, spas, bars and services and avoid the rest? Want it all in a New York minute...? Well, now you can with LUXE New York.
