Stephen Whitney : Mac's Pocket Guide: Grand Canyon National Park, Trees, Flowers, Cacti (Mac's Pocket Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mac's Pocket Guide: Grand Canyon National Park, Trees, Flowers, Cacti (Mac's Pocket Guides):

0 of 0 people found the following review helpful. Mac's Pockt Guide to Grand Canyon National Park Flowers, Trees CactiBy Donna L. JamisonThis guide is great. It is small enough to fit into a purse or backpack. It's laminated. Most of the illustrations include more than one part of the plant/tree and states the common name, Latin name, and the measurements of the plant/tree. I look forward to using this guide when I visit the Grand Canyon.0 of 0 people found the following review helpful. Much less than meets the eyeBy AAllenI thought this would be a booklet, with more text and explanations. It is simply a fold-out (not a booklet) with simple illustrations of various Grand Canyon flowers. As far as I can tell, it is arranged by color--but not consistently. It didn't even contain one of the most common flowers seen in the Havasupai Canyon (Jimson Weed; datura). I wouldn't consider recommending this to anyone.

MACS POCKET GUIDE: GRAND CANYON NATIONAL PARK, Trees, Flowers, Cacti, Illustrations by Stephen R. Whitney and Elizabeth Briars. This guide features over 115 different types of trees, cacti, and wildflowers, including the Fremont cottonwood, big sagebrush, beehive cactus, heartleaf buttercup, and the long-leaved paintbrushperfect for the first-time visitor or experienced naturalist. ISBN 1-59485-027-5.

About the AuthorArtist STEPHEN R. WHITNEY is the author of six books on natural history, including A Field Guide to the Grand Canyon and A Field Guide to the Cascades and Olympics. Artist ELIZABETH BRIARS contributed illustrations to A Field Guide to the Cascades and Olympics. A former field biologist for the Museum of Northern Arizona, STEWART AITCHISON is a noted photographer, naturalist, and author of Grand Canyon: Symphony of Stone, among other titles.
