**Doug Shidell and Dave Milaeger, Bruce Thompson : Madison Bike Map - Dane County** before purchasing it in order to gage whether or not it would be worth my time, and all praised Madison Bike Map - Dane County:

The 3rd edition of the Madison and Dane County Bike Map continues the tradition of ongoing research and continue updates that make Bikeeverywhere maps the most accurate biking maps available.It is the attention to detail, coupled with easy to read graphics that makes Bikeeverywhere maps the first choice for area cyclists.Printed on tearproof and waterproof material for durability.
