Life in MaineBy Linda St OngeIf you have never been to Maine, this book will take you there while still in your chair. You can almost smell the ocean. This is only one of Nance Trueworthy's books, you must get them all, the photography is so outstanding that you will feel that you are actually there. This will make you take a trip to Maine, and you will want to go back again and again.

More than just lighthouses and lobster, Maine is a state with a rich history and a personality all its own. Maine Impressions is a lush portrait of this beloved state, with images from the coast, cities, and the interior. In addition to the iconic sites, the book features a peppering of festivals and locations that are loved by locals. Visitors will want to take home a bit of Maine culture and Mainers will cherish this tribute to their state.
