Bella Stander : Maine Lighthouses Illustrated Map Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Maine Lighthouses Illustrated Map Guide:

1 of 1 people found the following review helpful. Will be just right!By DebI like this map. It is, people, a "map", not a book, not a big ol' laminated sheet of plastic. Yes, it will wear. BUT, it is a good map and here's why: It has the entire map on one side, and detailed descriptions on the other, which include a brief history of each lighthouse, the best views for it, and directions on how to get there. What else do you need/can you expect in a map? We are getting ready to head to Maine for a month, and I am very excited about having all this lighthouse information in a relatively small package. Thanks!0 of 0 people found the following review helpful. Beautiful MapBy liz philBeautiful map on all the Lighthouses in Maine. It also gives you a brief history on them. Highly recommend this to anyone that wants to visit these beautiful Lighthouses in the beautiful state of Maine. Also very easy directions on getting to them.0 of 0 people found the following review helpful. Excellent Map!By RandoozleThis is a very nice map. The material it is made out of is much thicker than a typical fold up map.

The illustrated map and guide to all the lighthouses in Maine, coastal New Hampshire and nearby New Brunswick. Completely revised and updated, with new cartography and text, and several new illustrations. 75 standing and 10 "lost" lighthouses located on a detailed coastal map. 35 original watercolor illustrations--8 newly commissioned. Reverse has history, description directions to each lighthouse; directories of lighthouse museums cruises; intriguing true tales. Folded paper, 24x36 in. For laminated poster edition, enter 1888216298 in search box. Similar maps available for Massachusetts, Mid-Atlantic (NJ, SE PA, DE, MD VA), Southeast (NC, SC GA), Florida and Northwest (OR, WA AK); plus a U.S. Lighthouses map directory. Search "Bella Terra Maps" on amazon.com to find them all.

About the AuthorWriter and art director Bella Stander is publisher of Bella Terra Publishing. A former contributing editor to Publishers Weekly, her book reviews and interviews have appeared in such other publications as The Washington Post, The Wall Street Journal, Entertainment Weekly and WildRiver .com. She is also the proprietor of Book Promotion 101 and a consultant to the Virginia Festival of the Book.
