Elizabeth Peavey : Maine Me before purchasing it in order to gage whether or not it would be worth my time, and all praised Maine Me:

0 of 0 people found the following review helpful. Some interesting stories of Maine.By G. J. HealyThis book is a personal review of various places in Maine visited and authors take on them. Some of the stories were interesting and others were ramblings.0 of 0 people found the following review helpful. Great read!By Bertrand R. MichaudI just wish it were longer!0 of 0 people found the following review helpful. Travels in MaineBy kkbsThis book contains

roughly two dozen articles the author wrote for the DownEast Magazine. Half of these articles deal with typical Maine things to do, the other half deal with places in Maine to go (although this differentiation gets mixed a lot). In particular the articles about places sometimes are nicely written and interesting, some other essays are rather not that thrilling. The book was edited in 2002, some articles were written in the early 90'ies (although there are a few updates), so some information is rather dated. Although the book certainly is no must-have, if you plan to visit Maine (or just have visited it) it may be of interest to get an impression about the place.

For more than ten years, Elizabeth Peavey has been traveling around the state of Maine, and writing about her wide-ranging experiences and discoveries in Down East magazine. This book collects her very best columns and essays. In a light and entertaining style laced with lots of entertaining humor, she weaves a wide-ranging tapestry that will give readers a vivid and fresh view of the state.

"The essence of what makes Maine unique... This collection of perceptive, funny articles is a feast." -- Kathleen Brandes, author of Moon Handbooks Maine About the Author A contributing editor to Down East magazine, Elizabeth Peavey's essays and articles have appeared in numerous publications besides Down East, including Yankees Travel Guide to New England, Maine Boats Harbors, and Odyssey Travel. She authored the chapter on Maine for Fodor's Road Guide U.S.A. and is a contributing essayist to the Maine Public Radio program Maine Things Considered. She lives in Portland, Maine.
