James Kavanagh, Waterford Press : Maine Nature Set: Field Guides to Wildlife, Birds, Trees Wildflowers of Maine before purchasing it in order to gage whether or not it would be worth my time, and all praised Maine Nature Set: Field Guides to Wildlife, Birds, Trees Wildflowers of Maine:

The Maine Nature Set offers the best in wildlife and plant identification for The Pine Tree State. The set includes three Pocket Naturalist Guides to Maine, Trees Wildflowers, Birds, and Wildlife, and is attractively packaged in an acetate

bag. The beautifully illustrated folding guides highlight well over 300 familiar and unique species and include ecoregion maps featuring prominent wildlife-viewing areas and botanical sanctuaries. Laminated for durability, Pocket Naturalist Guides are lightweight, pocket-sized sources of portable information and ideal for field use by novices and experts alike. Made in the USA.

About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
