**Jody Swift : Maine Travel Guide (Quick Trips Series): Sights, Culture, Food, Shopping Fun** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Maine Travel Guide (Quick Trips Series): Sights, Culture, Food, Shopping Fun:

1 of 1 people found the following review helpful. NOT a travel guide By K. Drake What a disappointment. If possible, I would give this zero stars. This book is 99 pages long and looks like an elementary school book report. Do not think

this is an actual "travel guide". There are exactly three black white photos in the book. There are 10 "Sights Activities: What to do and See" for the entire state and they are very random.
