hikerThis is a must-have for those who love the eastern sierra; includes an interesting historical summary, a natural history of the common plants and animals, and a wonderful trail guide. 0 of 0 people found the following review helpful. Informative. Helpful, if not somewhat dated. By bill f Informative. Helpful, if not somewhat dated.

This is the sixth edition of this authoritative guide to a superbly beautiful portion of the Sierra Nevada in eastern California. Six hours north of Los Angeles, and three hours south of Reno, this fifty-mile portion of the eastern Sierra slope includes Convict, McGee, and Rock Creek canyons, Lake Crowley, Mammoth Lakes, Reds and Agnew meadows, Devils Postpile, the Minarets, June Lake, Lee Vining, Lundy Canyon, and Mono Lake -- all easily accessible from US Highway 395.

This guide is filled with information about the vegetation, wildlife, human history, and geologic origins of the scenery. It is greatly enhanced by the elegant, nostalgic photographs. ... You need this book with you when you venture forth into Mammoth Lakes Sierra. It was written by people who know and love the country. -- Loma Prieta
