Chuck Katz : Manhattan on Film Updated Edition : Walking Tours of Hollywood's Fabled Front Lot before purchasing it in order to gage whether or not it would be worth my time, and all praised Manhattan on Film Updated Edition : Walking Tours of Hollywood's Fabled Front Lot:

0 of 0 people found the following review helpful. For film lovers.By ROBERTNyc as a major movie stage. Amazing stuff !0 of 0 people found the following review helpful. well written but needs another updateBy CustomerVery well written, but could use more pop culture movies as well as more recent ones. I was really surprised when several people were discussing whether the Brooklyn or Manhattan bridge appeared in Saturday Night Fever and I had no idea.8 of 8 people found the following review helpful. A disappointmentBy A CustomerThe author of this book had a terrific idea, but the book disappoints because of its overwhelming emphasis on post-1980 movies. Manhattan locations for Hitchcock's North by Northwest, and The Godfather, among others are either left by the wayside or sorely underrepresented. Ghostbusters, on the other hand seems to pop up on each page.

(Limelight). This book offers 18 of the best walking tours you'd ever want to take of the greatest venues of movie scenes in New York City. In one volume, Katz updates the two best-selling Limelight Editions guidebooks, Manhattan on Film and Manhattan on Film 2 to include films released over the past six years as well as changes to New York City neighborhoods, especially lower Manhattan. Each tour is illustrated with photos from each film shot along its route and includes maps and travel tips. No tour takes more than two hours. A list of the films, with page references, provides an easy guide for those who want to quickly look up their favorite movies.
