Robert W. Schoeberlein : Mapping Maryland: The Willard Hackerman Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Mapping Maryland: The Willard Hackerman Collection:

Reproducing over 70 maps, 15 in full color, from John Whites 1590 map of Virginia showing "Chesepiooc Sinus," the first appearance of the name Chesapeake Bay on any map, to the meticulous maps of the late 19th century.
