Like a vacation on the Vineyard!By LucyVPI've been to Cape Cod, but never had the pleasure of visiting Martha's Vineyard, but browsing through this book makes me feel like I am there. The pictures are beautiful. The essays say it all. Best book I've ever seen on the Vineyard. One of these days I hope to see it in person, but until then this book will be a constant reminder of the beauty and peacefulness that is Martha's Vineyard.4 of 4 people found the following review helpful. beautiful and relaxingBy Suzanne ShaverThis book contains beautiful photos and brief essays that convey the true nature of the Vineyard.
