Donald Street : Martinique to Trinidad: including Martinique, St. Lucia, St. Vincent, Barbados, Northern Grenadines, Southern Grenadines, Grenada, and Trinidad ... Cruising Guide to the Eastern Caribbean) before purchasing it in order to gage whether or not it would be worth my time, and all praised Martinique to Trinidad: including Martinique, St. Lucia, St. Vincent, Barbados, Northern Grenadines, Southern Grenadines, Grenada, and Trinidad ... Cruising Guide to the Eastern Caribbean):

0 of 0 people found the following review helpful. but if you want a broader sense of the islands and all the little gunk holes this is a great read. By Michael Severson A well written book, that gives much more detail than other guides. Streeter has a long history in the Caribbean and his passion for sailing and the islands comes through in every page. The book is much more than a guide, so if you are looking for barebones to the next waterhole, this might not be your book, but if you want a broader sense of the islands and all the little gunk holes this is a great read. 0 of 0 people found the following review helpful. Great book - a little stale data for facilities By Willard W. Martin Excellent sailing guide. The only reason the rating is not 5-star is because the information ends around year 2000. Although typically reefs and rock hazards do not significantly change over time, marina and other facilities do appear. 0 of 0 people found the following review helpful. One Star By Luis M Gonzalez Very old comments! Not actualized at all!

Streets Guides are the result of his forty-four years of Caribbean experience his first guide to the Virgin Islands (1964) has been expanded over the years to cover the entire eastern Caribbean. These guides give the mariner all the information needed to safely cruise the area, not only piloting information but also interesting background information on people, places and history.

"...other guide authors have followed in Street's and Iolaire's wake, avoiding the rocks and shoals Street and Iolaire discovered." -- Patience Wales, Editor, SailAbout the Author D. M. Street, Jr., a lifetime sailor, has spent forty-four years cruising, charting and writing about the Caribbean. Forty of those years were spent on his 46 engineless yawl, Iolaire, built in 1905. He has spent the last four years on his 28 engineless yawl, Lil Iolaire, gathering information for his guides in the winter and cruising European waters on Iolaire in the summer.
