Kappa Map Group : Maryland Delaware State Travel Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Maryland Delaware State Travel Atlas:

3 of 3 people found the following review helpful. Unfortunately, bewareBy Comparison shopperI am happy for the other person who loved the book. In fact, that moved me to buy this one, along with the Baltimore area map.However...Due to a shrunken book size yet no evident increased sharpness of printing, the print is now difficult to read throughout, compared to older ADC maps I've enjoyed. I checked against sample type in Microsoft word. The font for street names now is equal to MS word's font size 6 at "life" size. The typeface is sometimes in bold, mostly not. My eyes were straining with hundreds of place names at that size, along with poorly contrasted colors throughout the pages. There was an occasional uncanny feeling of motion while looking at these maps. Some optical mayhem - for me, the pages have now become way too busy per square inch. This is a shame, as I've always admired the ADC map series.It really deserves only one star, it's truly unusable for me...but I'm giving 2 out of fondness for prior editions.But I'm returning this one, today.1 of 1 people found the following review helpful. Highly detailed, nice

qualityBy Adam SkillinThis was a gift for a person who wanted a spiral-bound map of the towns of Southern Delaware. It was a tall order, and this was the only atlas I could find that fit his criteria. He got it recently and absolutely loves it, for the reasons mentioned in the title.

The Maryland and Delaware State Travel Atlas is a full-color street detail atlas, including street-detail insets of: Annapolis, Bowie, Cheverly, Cumberland, Frederick, Frostburg, Gaithersburg, Glenarden, Greenbelt, Hagerstown, Laurel, New Carrollton, Ocean City, Rockville, Salisbury, Severn, Silver Spring, Waldorf, and Westminster, in Maryland; and Dover, Middletown, Milford, Newark, Seaford, Smyrna, and Wilmington, in Delaware; and features: Andrews Air Force Base, detailed Attractions, Golf Courses, a Mileage Chart, Museums, and Parks and Rec Areas
