From NATIONAL BOOK NETWRK : **Massachusetts Trail Guide: AMC's Comprehensive Guide to Hiking Trails in Massachusetts (Appalachian Mountain Club)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Massachusetts Trail Guide: AMC's Comprehensive Guide to Hiking Trails in Massachusetts (Appalachian Mountain Club):

0 of 0 people found the following review helpful. EXTREMELY lame.By vrexXI guess if you're in western Mass it's ok. Only maps of 5 areas in MA. No directions to trail head. No maps (except the 5). No hint of where the trail is (how

at least the city??? lat/long?). I would have expected a small little area blow up of the surrounding area. 500 pages of trail history - which wouldn't be bad if it included more useful information. No more AMC guides for me. 0 of 1 people found the following review helpful. great book-and service By James R. Spectacular, it was said this book had some mark on it, WHERE, it was perfect it even has maps in the back pouch. I don't think it was even used, very good Sir John S. Burk, greatly appreciated, I have already used it several times, 1 of 1 people found the following review helpful. Four Stars By Luannegift

This tenth edition of the Appalachian Mountain Club's trusted trail guide revisits beloved trails across the Bay State, from the Appalachian Trail in the Berkshires to Cape Cod's Warner Trail. In print for more than 50 years, this comprehensive collection will help readers navigate more than 390 trails including 30 new to this edition and newly revised descriptions for the Bay Circuit Trail and the New England National Scenic Trail.

About the Author John S. Burk is an outdoor writer and photographer, and is co-author of AMC's Best Day Hikes Near Boston. He has contributed to publications such as Natural New England, Northern Woodlands, and AMC Outdoors. He lives in Massachusetts.
