**From Not for Tourists : Not for Tourist Guide to Boston (Not for Tourists Guide to Boston)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Not for Tourist Guide to Boston (Not for Tourists Guide to Boston):

0 of 0 people found the following review helpful. Useful book for the people new in BostonBy Y. ZhangThe book is small but informative. I used it a lot when I just arrived at Boston. However, after I got my iPhone, I no longer need it, because you could get access into internet anywhere.Therefore, this book will be useful for the people who want to explore Boston a little bit more, but do not have a smart phone with him/her.0 of 0 people found the following review

helpful. Five StarsBy Shopper2799thank you7 of 7 people found the following review helpful. Great book, excellent mapsBy RachoftheJungleI'm now a NFT devotee. I have the NYC and Boston guide. I just put this one through a workout last week.Anyone who's been to Boston knows that navigating the old (and often unlabeled and/or name-changing) Boston streets can be confusing. NFT gets down to business and delivers easy-to-read maps with essential information. It's easy to take along in your pocket or purse and you can study a map subtly without looking like a fool. I appreciate its pared-down content; if you want long-winded reviews of restaurants, look elsewhere. This book is a great companion to elaborate travel plans or your go-to guide for on-the-fly travel, the latter of which is more my style. Numbers, addresses, maps, one-sentence descriptions and price range are plenty enough. Decide the rest for yourself.Whether you're looking for the nearest ATM, mid-range Thai restaurant, or funky thrift store, NFT will get you there quickly with its great transit and street maps.

Not for Tourists guidebooks are map-based, neighbourhood by neighbourhood guides designed to lighten the load of already street-savvy residents, commuters, business travellers, and yes, tourists too. Each map is marked with user-friendly icons identifying the services and entertainment centres that you look for as you make your way through town: everything from post offices, car parks, restaurants, bars, DIY stores and gyms to information on hotels, airports, public transport and parks. Whether you're a seasoned resident, a returning visitor, relocating, or someone who is completely new in town, Not for Tourists guidebooks help you make the most of your time in the city, while you're in it.
