However, come on, the font size is ridiculously small. One needs a magnifying glass and a loop to read it (and I'm not saying this cuz I'm old. OK, there are good maps and descriptions of the neighborhood. Nice glossy finish to the pages. Perfect for Lilliputians you may know. 2 of 2 people found the following review helpful. Great Book BUT By Marlina This is a WONDERFUL BOOK!! BUT, it is tiny!!! Our eyes can not read it very well.. but if you haven't been to NY in awhile it has a list of all the shops and restaurants and

addresses so you can compare growing up to what's there now. It has a map of the town with all the routes. This was GREAT I just wish it printed in 'normal' size. 0 of 0 people found the following review helpful. Great guide for possible new locals...By AMylesGreat guide around the area... We didn't need help to the "normal" things but wanted to find some unique/ local bits, this did just that. It gave us the feel we needed to decide if this area should be our new home.
