Each section about the different neighborhoods in Chicago has only the most superficial information about that neighborhood written in the most teeny tiny print possible in order to fit it into a tiny strip at the top of the page. For each neighborhood they provide a list of Landmarks and then have headings for Nightlife, Restaurants and Shopping with no description so you can understand why they were chosen. Many of them are simply the most popular venues, hardly out-of-the-way spots known only to locals. The only good thing about it (and the reason I'm not returning it) is the maps of each neighborhood.0 of 0 people found the following review

helpful. which is fine, just not what I needed

I took a quick scan of this book and immediately processed it for return. It is really just a breakdown of neighborhoods - first with a map of each neighborhood and a list of restaurants within that neighborhood. I'm not really sure how it would be helpful to me. I got from the title that this would not be a typical tourist book, but I'm guessing this one is more for people who've been to Chicago several times and really want to explore the individual neighborhoods and have no interest in the more touristy things...which is fine, just not what I needed. I purchased the Fodor's Chicago at the time and that's the book I'm keeping - much more comprehensive guide to Chicago.

With details on everything from the Magnificent Mile to Wicker Park, this is the only guide a native or traveler needs. The Not For Tourists Guide to Chicago is a map-based, neighborhood-by-neighborhood dream guide that divides Chicago into 60 mapped neighborhoods from Gold Coast and Lincoln Park to Wrigleyville and Lakeview. Designed to lighten the load of already street-savvy locals, commuters, business travelers, and yes, tourists too, every map is dotted with user-friendly NFT icons that plot the nearest essential services and entertainment locations, while providing important information on things like kid-friendly activities, public transportation, restaurants, bars, and Chicago's art scene. Need to find the best deep-dish pizza hideouts around? NFT has you covered. How about a list of the top sports attractions in the famously sports-crazy city? We've got that, too. The nearest beach, jazz club, coffee shop, or bookstore whatever you need NFT puts it at your fingertips. This book also features: A foldout highway map Sections on the North Side, Near North Side, Near West Side, the Greater Loop, the South Side, and Greater Chicago More than 150 neighborhood and city maps Its the only key to the Windy City that Rahm Emanuel cant give you.

"For people who don't want to be seen carrying a guidebook." The New York Times "Take an A to Z, mix it with a Lonely Planet and throw in all the things a guidebook should never say, and voil." The Observer "A series of guides designed to make you feel like a local." CNN "Quality guides written by travel experts" Travel Channel Survival handbooks for natives but they can be lifesavers for visitors as well. The Boston Globe Its not quite Lonely Planet, and its not quite the Yellow Pages, but NFT may be their bastard child. Toronto Star This is one guidebook you wont find in the fanny pack next to the wet wipes. Entertainment "At NFTs core is that most important of things...good taste. The Guardian
