The print is soooo much smaller than previous editions, so you'll need reading glasses for this one.2 of 2 people found the following review helpful. Great bookBy CustomerIncredibly informative and helpful. I really like how the sections of the city are broken down and explained. Looking forward to being able to use this awesome book on my trip. I would recommend this book to someone traveling.2 of 2 people found the following review helpful. More Handy Than A Cell Phone for Getting Around NYCBy Reba L.This book is even more handy

than your cell phone for getting around NYC. Well organized with lots of maps, good suggestions, and not much bigger than a phone so you can carry it discreetly and not look like a tourist.

With details on everything from the Empire State Building to Max Fish, this is the only guide a native or traveler needs. The Not For Tourists Guide to New York City is a map-based, neighborhood-by-neighborhood dream guide designed to lighten the load of already street-savvy New Yorkers, commuters, business travelers, and yes, tourists too. Each map is marked with user-friendly icons identifying NFT's favorite picks around town, from essentials to entertainment, and includes an invaluable neighborhood description written by locals, highlighting the most important features of each area. The book includes everything from restaurants, bars, shopping, and theater to information on hotels, airports, banks, transportation, and landmarks. Need to find the best pizza places around? NFT has you covered. How about a list of the top vintage clothing stores in the city? We've got that, too. The nearest movie theater, hardware store, or coffee shop whatever you need, NFT puts it at your fingertips. This pocket-sized book also features: A foldout map for subways and buses Over 130 city and neighborhood maps Details on parks and places Listings for arts and entertainment hotspots It is the indispensable guide to the city. Period.

"For people who don't want to be seen carrying a guidebook." The New York Times "Take an A to Z, mix it with a Lonely Planet and throw in all the things a guidebook should never say, and voil." The Observer "A series of guides designed to make you feel like a local." CNN "Quality guides written by travel experts" Travel Channel Survival handbooks for natives but they can be lifesavers for visitors as well. The Boston Globe Its not quite Lonely Planet, and its not quite the Yellow Pages, but NFT may be their bastard child. Toronto Star This one guidebook you wont find in the fanny pack next to the wet wipes. Entertainment "At NFT's core is that most important of things...good taste. The Guardian
