Leon Thompson : Not Too Awful Bad: A Storyteller's Guide to Vermont before purchasing it in order to gage whether or not it would be worth my time, and all praised Not Too Awful Bad: A Storyteller's Guide to Vermont:

0 of 0 people found the following review helpful. A book by a Vermonter- for a Vermonter.By Wesley KemptonGrowing up just one town over from Leon, I can attest that this is a spot-on depiction of Vermont life.The book is a terrific guide to the 802, and comically written with Leon's unabashed way of living and viewing the world.4 of 4 people found the following review helpful. Vermont talkin' 'n 'xplorin'By Ray BaldryLeon Thompson has

captured the gluttal stop speech, sayings, idioms, and a lot of Vermont facts and history amply plopped with humor in this little gem. Disclaimer: I'm a 6th generation Vermonter raised in northwestern Vermont just like Leon, and Leon's maternal grandfather and my mother were siblings. One valuable feature of the book is the inclusion of websites about many Vermont topics and places of interest. With little effort one could develop vacation and travel plans for a number of years to explore the Green Mountain state which would be as large as Texas if flattened.0 of 0 people found the following review helpful. Great book lots of laughsBy Tom"Vermont Rednecks" We are Woodchucks. Great book lots of laughs. Leon always had a great sense of humor.

Vermont writer and journalist Leon Thompson delivers up a guide to the Green Mountain State as only a real insider can. Leon tackles his home state's history, culture, seasons, attractions, vernacular, and much, much more. Whether you are a Vermont Redneck or Vermont Hipbillie, a transplant or a flatlander, you'll learn something from this book and laugh a lot in the process. Why? Because it's frickin' hilarious. Although we admit, it's hard tellin', not knowin'."

About the AuthorLeon Thompson was born in raised in northwestern Vermont. A graduate of Lyndon State College, he is a staff reporter for the Messenger in St. Albans, Vermont, where he also writes a humor column. His humor writing has garnered him awards from the New England Press Association and the National Newspaper Association, among others. He is the author of two previous books, Good Junk and Dork: Another Look at My Junk.
