Just about everything that can happen, did, to writers of this collection of personal travel experiences. From a mishap in the Yukon Territory, to hailing a cab in NYC, to crashing a Red Hatter's meeting in Texas, these stories are entertaining, with a touch of interesting

information tossed into the mix. Highly recommended. 2 of 2 people found the following review helpful. No Passport Needed! By Bobby Barbara Smith What a trip! I went from France to Saigon, to a hair rising trek on a Yamaha, in Guatemala, and I never left the comfort of my easy chair. By trains, planes, and automobiles, not to mention cruise ships, I traveled the globe. What a delightful humorous read. Well done Terri Elders, Dahlynn and Ken McKowen. 0 of 0 people found the following review helpful. Four Stars By Margaret Watson Liked pretty well.

Not Your Mother's Book...On Travel is the fourth title in the series. The first hilarious title was NYMB...On Being a Woman, followed by NYMB...On Being a Stupid Kid and NYMB...On Dogs.
