**T. M. Rives : Nueva York Insolita y Secreta: Local Guides By Local People (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nueva York Insolita y Secreta: Local Guides By Local People (Spanish Edition):

Discover Secret Gardens, decipher ancient riddles on tombstones, visit a disturbed Indian burial ground, observe the stars and planets through a university telescope, frown at a bronze statue of Lenin, harvest mastodon food in Central Park, enjoy the aroma of a roomful of dirt, find a Venetian palazzo above a former stable, spot the forbidden island that was once declared a sovereign nation by a guy in a rowboat, track down a townhouse concealing a subway tunnel, walk under the canopy of the primeval forest, read a memorial plaque to an event that happened in another dimension, fall into a trance before a piece of subway art that flickers and moves, have your bicycle blessed in church.
