VanDam's award winning NYC StreetSmart 5-Boro Edition maps all top attractions including museums, major architecture, hotels, theatres, shopping destinations, and the transit system for all of The City of New York - all at an immensely legible super-scale of 1:32,000, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The NYC StreetSmart 5-Boro Edition includes a complete 5-Boro map and stunning dimensional details of Manhattan and New Jersey to make you feel you are there. Also includes transit information and a Metro Index covering both NYC and NJ. The Boros, collectively known as The City of New York, are available as separate maps. StreetSmart maps are updated several times a year and are more current than any other map available. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the vertical city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant NYC StreetSmarts and a sexy souvenir to boot!
