Each SoundWalk is 50 minutes of walking adventure through a neighborhood, guided by a local personality, packed full of interviews and cinematic sound effects. SoundWalks are living documentaries about the city, but instead of experiencing it through the remoteness of your TV, you will savor the city in its reality.

I found myself being shown things I had never seen in all my previous walks through the neighborhood. -- The Sun
New York, September 2002It is all recorded with high-tech methods to achieve 3-D surround sound. The effect is
startling. -- Women's Wear Daily, August 9, 2002Listened to while walking on the prescribed route it becomes an

Wire (UK), April 2003From the PublisherExtensive research, hours of interviews, a musical soundtrack, and cinematic
sound effects to enhance the emotions make for a movie-like experience. We have selected the best neighborhoods for
you to visit, accompanied at all times by a long time resident to show you around as a friend. We will tell you the story
of the city. Perfect for a date, for a walk with a friend (a splitter recommended for dual headphone use, at
RadioShack), as a loan to your guest so they get off your sofa-bed, or as a gift for a house warming party.About the
