Fred Miller : Ocean City: America's Greatest Family Resort (Making of America) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ocean City: America's Greatest Family Resort (Making of America):

2 of 2 people found the following review helpful. Great MemoriesBy JoanneI bought this book for my parents. My dad and I had read the kindle version and he wanted to share the book with my mom. They met in O.C.74 years ago, spent summers there and vacationed with their family on the island. They love the familiar names, history and especially the pictures contained in the book. Brings back wonderful memories for both of them. My mom has dementia and looking at this book together, watching her reactions and her recalling memories has been a Godsend for my dad. I enjoyed the book as well.0 of 0 people found the following review helpful. Nestled along the New Jersey coastline and built to be one of the original seaside tourist destinations, Ocean City still sets the standard for resort living along the mid-Atlantic. What was once a whale-processing center in the 1700s emerged as a destination for sun and fun by drawing the biggest names and the classic American families of the early twentieth century. As our country's search for the ideal vacation grew, this 7-mile stretch of beach cultivated a rich history and a reputation as one of the most alluring communities on the East Coast.

About the AuthorAuthor and town historian Fred Miller is a trustee of the Ocean City Historical Museum and the Lifesaving Museum, a member of the Ocean City Historic Preservation Commission and the Cape May County Culture and Heritage Commission, as well as a retired history teacher and surf lifeguard. His engaging and entertaining work, highlighted by classic beach scenes from decades past, sheds light on this community's story as it celebrates its 125th anniversary in 2004.
