book will shed some new light on our travels in WI. At a glance, I've learned there are many places in our own state with a lot of interest.0 of 0 people found the following review helpful. Great Gift for the AdventurousBy Admiral SchmickoverPurchased this as a gift for my adventurous Sister-In-Law who lives in Wisconsin. There are some great day trip ideas and most of the attractions my wife and I have never heard of. Looking forward to exploring some of the more oddball places in Wisconsin--Lord knows, we have our share.0 of 0 people found the following review helpful. Good, lively writingBy Theresa MayFun even for anyone who never plans to go to Wisconsin. Oddball stories, lots of fun.

Updated and even weirder, this new edition boasts more than 400 unique destinations for tourists looking for attractions off the beaten path. Bizarre locations and landmarks include Chainsaw Gordys Garden of Saws, Smokey Bears head, the Worlds Largest Soup Kettle, the Toilet Bowl Parade, and the worlds only upside-down White House. This book offers fascinating and little-known historical tidbits and answers burning questions such as Where was Liberace born? What is a hodag, and how do you catch one? Who invented the hamburger? and Will a Polka Hall of Fame ever be built? This is the real guide to Wisconsin, birthplace of the snowmobile, the typewriter, and the ice cream sundae. The address, phone number, hours, cost, directions, and website of each oddity accompany its description.
