Cathy Johnson, Patti Delano : Off the Beaten Path - Missouri (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Off the Beaten Path - Missouri (Off the Beaten Path Series):

0 of 0 people found the following review helpful. MissouriBy TLNThis little bit of information didn't do it for me. Could learn more from internet.9 of 9 people found the following review helpful. I love this series!By subpopstarHaving discovered the Off the Beaten Path series while planning a vacation to South Dakota, I didn't hesitate to pick up the Missouri copy to see what I was missing in my backyard. I'm really glad I did! Even though I've discovered many things since moving to Missouri, this book has helped me discover quite a few new places to explore. The book has broken Missouri into concise geographical sections, so when planning a trip, you only have to look at the section of the state where you'll be travelling. The usual topics of lodging shopping, and restaurants are covered very well, but what I find most interesting are the little-known cultural artifacts highlighted in the book. If you're planning a trip to Missouri, or live here and want to discover more of your home state, this book is highly recommended. One warning though: you'll never look at any interstate, especially I-70, the same again!!

Visit the Ethnic Art of Kansas City Gallery where you can see original sculptures and paintings; sample authentic Croatian treats at the Kobe House Bakery just outside of Independence; and explore the historic Mormon settlement of Adam-Ondi-Ahman Shrine in western Daviess County.

From the Back Cover Whatever you do when you travel, get off the interstate. Who needs more bland rest stops and fast food? Get into the heart of things with Globe Pequot's Off the Beaten Path Series. Devoted to travelers with a taste for the unique, this easy-to-use guide will help you discover the hidden places in Missouri that most tourists miss - unsung, unspoiled, and out-of-the-way finds that liven up a week's vacation, a day trip or an afternoon. (5 1/2 x 8 1/2, 272 pages, illustrations, maps)
