Michael McCoy : Off the Beaten Path - Montana (2nd. ed..) before purchasing it in order to gage whether or not it would be worth my time, and all praised Off the Beaten Path - Montana (2nd. ed..):

0 of 0 people found the following review helpful. A Book that Whets the Travel AppetiteBy Arlie RauchI am a Montana resident and have learned much about my home state just reading this book. The book makes me want to travel and spend time in many of the places he describes to learn about the history, see the sights, and eat the food. My only major complaint about the book is that it promotes evolutionism. I don't see why a person couldn't write about places, events, etc. without promoting philosophical myths.

Book by McCoy, Michael
