James Kavanagh, Waterford Press : Ohio Butterflies Moths: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ohio Butterflies Moths: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. birthday present By Harley I saw this on a local program of which I am a devotee. I purchased one for my brother, my daughter, then one of my nieces. 0 of 0 people found the following review helpful. Nice pocket guide By john terrell Just as expected. Nice pocket guide. Got the Ohio birds guide also, very nice 1 of 1 people found the following review helpful. A so-so reference By William A Badenhop Actual photos would have made this very limited publication much more helpful. The paintings are a bit unrealistic. Nice pocket resource but not if you are serious about it. only a couple of dozen species are identified.

The Orange Sulphur is one of over 940 species of butterflies and moths found in this region. This beautifully illustrated guide highlights over 70 familiar and unique species. It includes information on their life cycle and features illustrations of common caterpillars and pupae. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
