Art Weber, Bill Bailey, Jim DuFresne : Ohio State Parks Guidebook (State Park Guidebooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ohio State Parks Guidebook (State Park Guidebooks):

2 of 2 people found the following review helpful. Oldie but goodieBy Alter B. RaubvogelOf all the books I've consulted when I look for Ohio parks to camp in (my family goes tent camping almost every summer), this is the one I've gleaned the most from. I'd taken this book out of the library so many times that I finally decided to just buy a

copy! Especially helpful to me are the campground descriptions, which typically describe toilet/shower facilities, amount of shade, and the site numbers of the nicest spots. The only drawback is that this book is almost ten years old; the park system doesn't seem to have changed all that much since 2003, but an updated edition would be nice. 0 of 0 people found the following review helpful. GREAT BOOK By carl skora THIS BOOK WILL BE HELPFUL WHEN OR IF YOU GO TO OHIO STATE PARKS. I AM PLANNING ON USING THIS BOOK ON MY NEXT TRIP TO OHIO. 7 of 7 people found the following review helpful. Excellent book for outdoor adventurers! By A Customer State Parks listed alphabetically. Each includes camping, fishing, hiking, day trips, and much more. A map shows where in Ohio each park is. Very comprehensive. There are some phone numbers that have out dated area codes. Great resource.
