David B. McCoy : Ohio Wineries Guidebook before purchasing it in order to gage whether or not it would be worth my time, and all praised Ohio Wineries Guidebook:

For nearly 200 years, grapes have been growing in Ohio, with the number of wineries more than doubling in the last

12 years. Out of admiration for Ohio wines and wineries, David McCoy has put together a straight-forward, informative guide of the five grape-growing regions with one page dedicated to each Ohio winery. Information includes the address, phone number, an updated map, hours open and amenities each winery offers.

About the Author David B. McCoy, is an educator who enjoys fine wines. David is active in the Writer's Guild of Canton and he and his wife, Jill, live in Massillon, Ohio.
