Deborah Bouziden : Oklahoma Off the Beaten Path, 6th (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Oklahoma Off the Beaten Path, 6th (Off the Beaten Path Series):

As such, I have been a user of and a buyer of guidebooks to explore wherever I happened to find myself. This is one of the better ones. I'm a strong believer in getting to know the area you live in. Families ought to jump in their car and explore together when they have time. It creates bonds that'll last beyond the

youth of your children. My kids still talk about places we explored off the beaten path, a guidebook like this in hand, years and years ago. This particular guidebook is concise, accurate and well written. It works as well with a Walmart atlas, Google maps or a GPS. It makes for good recreation. Take it and your kids or your out-of-town relatives and get to know Oklahoma better. You'll be glad you did. 5 of 5 people found the following review helpful. Oklahoma, a Tough State to Find a Good Guidebook By Richard C. Harrison Recently we visited my son who lives in Oklahoma City and used Oklahoma, Off the Beaten Path as our guidebook. We had some time on our hands as my son had to work for a couple of days during our visit. This guidebook permitted us to discover Guthrie, the charming nineteenth century territorial capital of the state. On Sunday we visited the new cultural museum, The Oklahoma History Center, in downtown Oklahoma City. Every American should visit the Oklahoma History Center. I think it is as important as Ellis Island. Neither of the above important sites would we have discovered if it had not been for this well written guidebook. 0 of 0 people found the following review helpful. Recommended for new to Oklahoma, lots of places to see By J. A. Williams If you want to go to museums, dinner, sightseeing. This is a good book to give you those places in a well written travel guide.

Tourists looking to avoid the same old sights will love this unique guide to the Sooner State.

From the Back Cover Tired of the same old tourist traps? Take the road less traveled and uncover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path features the things you'd want to see if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: I didn't know that! Discover a different side of the Sooner State! Catch a reenactment of a historic Wild West show at Pawnee Bill Buffalo Ranch, stroll through the collection of bonsai trees and Japanese-style cascading pools at Lendonwood Gardens, or admire the rose-colored fossilized crystals at the Timberlake Rose Rock Museum. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path.
