Plantt identificationBy Mary MGSo easy yo use And easy to carry as I walk my dog through various parks.0 of 0 people found the following review helpful. Use this daily (almost)By DarkdiamondI travel and deal with Oklahoma land extensively for work. It is really nice to know what I'm looking at. Doesn't help in the winter though. Everything is dormant. I'd like to find one that shows Oklahoma grasses.0 of 0 people found the following review helpful. Fun Reference GuideBy BDawggThis had been great for our outdoor adventures. My children have been having fun identifying plant life while out hiking. It is a handy reference.
