BrownTrout : Oklahoma, Wild Scenic 2015 Square 12x12 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Oklahoma, Wild Scenic 2015 Square 12x12:

With canyon bluffs overlooking ancient mesas, limestone cliffs, and crystal clear lakes, Oklahoma offers an exciting range of wonderful vistas. In the summer when dramatic storms come blowing in from the west, accentuating the beautiful landscape, the Sooner State seems blessed and on edge all at the same time. Adding to the beauty of this legendary land are wild blue sage and grounds sacred to the Choctaw tribe. Explore wild and scenic Oklahoma with this photographic wall calendar. Includes a free download of the TravelDays app for the smartphone and tablet, which grants access to the world's best destination photos and backgrounds, fun puzzles, and a calendar featuring picturesque places that will transport you from the day-to-day to the truly memorable. BrownTrout is committed to sustainability.
