**Jon Milan : Old Chicago Road: US-12 from Detroit to Chicago (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Old Chicago Road: US-12 from Detroit to Chicago (Images of America):

3 of 3 people found the following review helpful. Love the picturesBy Jannie AnnieWe live near US 12 and all the stories about the cities and the founders of these towns are very historic and interesting. It's nice to know about the

towns that we drive through and never paid attention to how they got started. Lots of historic pictures also.<sup>2 of 2</sup>  
people found the following review helpful. Great bookBy Mandel2Great book about an area that we used to travel  
when I was a kid.<sup>1 of 2</sup> people found the following review helpful. Great findBy pickymom456This book was a great  
find. I liked it for more than the Towers that are pictured on the cover which is what enticed me to buy it.

With origins dating back to the end of the last ice age, the road known as Michigan Avenue was most familiar to early  
settlers as the Old Sauk Trail. Old Chicago Road: US-12 from Detroit to Chicago traces one of Americas oldest and  
most famous routesfrom its eastern origin at the very center of Detroit to its western terminus on the north side of  
Chicago. Vintage views, many of which have never before been published, explore the cities, towns, and villages  
along its path. While it has been known by many names throughout its history, the road continues to weave a unique  
American story in its present form as modern-day thoroughfare US-12.

About the AuthorThrough the kindness and generosity of American archivist David V. Tinder, this book draws on the  
amazing wealth of photographs that make up the Tinder Collection of Michigan Photography in the Clements Library  
at the University of Michigan. Historian and photojournalist Jon Milan uses this incredible resource to document and  
celebrate the Old Chicago Road. Milan is also the author of Detroit: Ragtime and the Jazz Age (Arcadia Publishing,  
2008).
