Fusco really did his homework writing this book. It is well put together, and it gave me nightmares!! I love this book!0 of 0 people found the following review helpful. Five StarsBy Jennifer SidmanGreat book

Old Ghosts of New England represents a unique marriage of the travel guide and the book of ghost stories a travelers guide to the many purportedly haunted inns, restaurants, lighthouses, pubs, museums, parks, graveyards, and schools in the New England states as well as a few of the regions most infamous haunted houses. Painstakingly researched, this book delves deep into the histories of New Englands old ghosts and provides pictures, maps, directions and contact information so that readers may conduct their own investigations into the paranormal phenomena of New England. 50 black white

About the AuthorC.J. Fusco is a native of Connecticut and spent much of his youth investigating many of New Englands purported haunted locales. He earned his B.A. in English from Bostons Northeastern University and a Masters Degree in English from Trinity College in Hartford, Connecticut. Fusco is also the author of Our Orwell, Right or Left to be released later this year.
