Kenneth Duprey : Old Houses on Nantucket before purchasing it in order to gage whether or not it would be worth my time, and all praised Old Houses on Nantucket:

3 of 3 people found the following review helpful. Fascinating look at historic Nantucket homes By B. FILBERT Lots of pictures of the interiors and exteriors of old Nantucket houses, with good descriptions. Similar books are available with more recent, color pictures, but it's interesting to see historical architecture through the lens of a slightly earlier period. Lot's of "backstairs" pictures that reveal interesting details of the houses, as opposed to glamour shots of how the wealthy decorate their historic homes. 0 of 1 people found the following review helpful. Five Stars By John S. Macneal Jr. Great
