Norman J. Van Valkenburgh : Old Stone Walls: Catskill Land and Lore before purchasing it in order to gage whether or not it would be worth my time, and all praised Old Stone Walls: Catskill Land and Lore:

Stone walls are relics left by previous generations to record their history on the landscape of New York's Catskill Mountains. The author has followed many of these venerable walls in a surveying career spanning fifty years. He is a keen observer of the landscape, of nature, and of the folkways of the memorable characters he has encountered in the woods. His books of mystery fiction set in the Catskills are also available from Amazon.
