His style in eminently readable whatever the subject from his "biography" of Saint Joan of Arc to his classics. These stories of his adventures as a young man on the mighty Mississippi are filled with wonderful anecdotes.1 of 1 people found the following review helpful. Early TwainBy GeneMark Twain, how can you go wrong? This is a series of essays (non-fiction), in roughly chronological order, of the period of his life in which he was a steamboat pilot on the Mississippi. It is early writing but show the inimitable Twain style. I recommend it to anyone who is interested in this period of his life.0 of 0 people found the following review helpful. Interesting to History buffsBy Paul HarsinThis autobiographical work was used as a rough draft for Mark's Life On The Mississippi. It pulls the reader along by the lapels to the end. I have read must of Mark's published works over the past 60 years, always imagining I could put myself in his shadow. No other American humorist can equal his sense of "style".

Books for All Kinds of Readers. ReadHowYouWant offers the widest selection of on-demand, accessible format editions on the market today. Each edition has been optimized for maximum readability, using our patent-pending conversion technology. We are partnering with leading publishers around the globe to create accessible editions of their titles. Our goal is to have accessible editions simultaneously released with publishers new books so that all readers can have access to the books they want to read - today. About the Author Mark Twain began his career in letters as a printer's apprentice at the age of 12. He worked as a typesetter and hack writer until a trip down the Mississippi inspired him to become a steamboat pilot. Twain was a popular humorist, a failed silver miner, an inventor, a pacifist anti-imperialist, and a vegetarian. He had a strong interest in the paranormal. Twain's novel *Huckleberry Finn* has profoundly influenced the development of American storytelling.
