**Bill Graves : On the Back Roads: Discovering Small Towns of America** before purchasing it in order to gage whether or not it would be worth my time, and all praised On the Back Roads: Discovering Small Towns of America:

Do you like small towns, places off the beaten path, trips down memory lane? Ever wonder if old-fashioned values are still alive in America? Then kick back, unwind, and hop onboard with travel writer Bill Graves as he takes you On the

Back Roads. Graves has a knack for finding the quirky, the offbeat in some of the most obscure, yet fascinating, small towns on the map. Among the places and faces he discovers: a town where it's against the law not to own a gun, a town famous for its split pea soup, the wise 83-year-old Emmy who camps alone in the dessert, and a man who hunts live ants for a living. The list goes on! Retired and free to roam in his motorhome, the RV Author, Bill Graves, logs 40,000 miles through the western states of California, Arizona, Utah, Nevada, Oregon and Wyoming.
