Maurice Lindsay : On the Face of It (Vol 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised On the Face of It (Vol 2):

This collection of poems is from Scottish poet Maurice Lindsay, whose book Collected Poems 1940-1990 was short-

listed from the 1992 Royal Bank of Scotland/Satire Society Literary Award. These poems range from lyricism and sonnets to less formal poems satirizing human follies, and from poems of place to an amusing take-off of the foibles of the cult of Burns supperism.
