Douglas E. Evelyn, Paul Dickson : On This Spot: Pinpointing the Past in Washington, D.C. before purchasing it in order to gage whether or not it would be worth my time, and all praised On This Spot: Pinpointing the Past in Washington, D.C.:

0 of 0 people found the following review helpful. Great book to understand history of WashingtonBy Dawn LewisGreat book to understand history of Washington, DC. Lots of unknown facts that add clarity to the names of various buildings and parks in the DC area.5 of 5 people found the following review helpful. Don't visit DC without this book!By S. BordacWhat a great book! It is refreshing to read a historical guide that doesn't take itself too seriously. On This Spot brings the sights and history to life for us transplanted Washingtonians. While the book can be used as a walking tour guide, it can just as easily take you on a tour through history from your living room. Makes me feel like I am in Washington again!0 of 0 people found the following review helpful. fascinating history of washington, dcBy ken rodgersI found the book fascinating in telling me more about some of the lesser-known parts of Washington, DC and helped me enjoy a recent trip to Washington even more.

Celebrating the gritty reality and color of the city, this lively guide locates the sites where important, or just fascinating, events took place, where figures from American history lived, worked, and died. Includes more than 125 photos from public and private collections.

From Library JournalThis travel guide, written by two longtime residents of the nation's capital, also serves as a popular history of the area. Each easy-to-read description provides an informative piece of the area's history. The authors' accounts of street and mall lore add interesting diversions. The highly entertaining guide is not made up of dry, dull facts, but of colorful items like the "House of the Body-Snatchers" on New Jersey Avenue or "Temperance Fountain" at Pennsylvania Avenue and 7th Street. This is a wonderful source of historical information for the browser as well as a traveler's goldmine. Recommended.- Lorene Nemecek, Marlboro Cty. Lib., Bennettsville, S.C.
