WongGreat book of photos of Disney Parks around the world during and after parks hours.It gives a glimpse of what is done to keep these parks an icon. The book I received (used) was in great condition.Some wear on the slip cover, but pages were perfect. seller's description was very accurate.0 of 0 people found the following review helpful. amazing bookBy Jeffrey G. Rhodesgreat pictures of Disney parks from around the globe perfect coffee table book hard to put down seek it out

Regardless of the time of day, the day of the week, or the date on the calendar, there is always something going on at all of the disney theme parks around the world. One Day at Disney takes readers on a global armchair journey from Disneyland in Anaheim, California, to Tokyo Disneyland in Japan. The clock starts at the stroke of midnight at Californias Disneylandwhere all the magic began in July 1955. Hour by hour, the parks and their guests are featured in brand-new, never-before-published photos takes especially for this book within a 24-hour period on a March day.
