Matt Heid : One Night Wilderness: San Francisco Bay Area: Quick and Convenient Backpacking Trips within Two Hours of San Francisco before purchasing it in order to gauge whether or not it would be worth my time, and all praised One Night Wilderness: San Francisco Bay Area: Quick and Convenient Backpacking Trips within Two Hours of San Francisco:

0 of 0 people found the following review helpful. A real gem
By JimGreat book, I have found numerous places that were right under my nose and it includes great detail, including basic maps (he recommends getting the topos, but this may not be necessary for some quick in and outs).
0 of 0 people found the following review helpful. Quick one nighters in the bay area.
By F. KellyA great book for getting you out the door, and into the great outdoors. I wish the geographical area was just a little bit bigger-- I'd love to have some trips in Big Sur.
1 of 1 people found the following review helpful. Great book for Bay Area hikers
By Philip A. ParkerExcellent resource for anyone in the SF Bay Area. Fore section reviews the topography, weather and basic hiking etc. the Rest of the book gives you specific info on hikes. This book is a must have if you like the out doors.

Hundreds of parks, preserves, and protected open spaces infuse the San Francisco Bay Area with a world of unparalleled natural wonder. Straddling a remarkable range of geographic and ecological diversity, it provides avenues for adventure in all terrains, seasons, and environments. An overnight journey deepens this outdoor experience. One Night Wilderness: San Francisco Bay Area presents the 28 best overnight backcountry opportunities in the greater Bay Area, from the deep valleys of the Coast Range to the old-growth redwoods of the Santa Cruz Mountains, from the shores of Point Reyes National Seashore to the remote corners of the Diablo Range in Henry Coe State Park. And all of them are accessible within a two-hour drive from any point in the Bay Area. Discovering all of these adventures without help would be a formidable challenge. Nearly a dozen different governing agencies manage the parks of the Bay Area. Regulations, sources of information, and reservation systems vary widely by park district. Plus, the proximity of millions of people means that hikers usually must make reservations at least a few weeks before their trip. But this comprehensive guide tells hikers what they need to know to get away from the city hubbub for a night or two. Within these pages you'll find detailed information on regulations, agency contact information, crowds, and reservations for every overnight destination--plus human history, natural history, trail descriptions, fun activities, maps, and more.

"For a great list of campsites and hiking trails pick up a copy of One Night Wilderness: San Francisco Bay Area." -- San Francisco Guide, October 2011
