2 of 2 people found the following review helpful. Love it...By Lavina WarrenI loved this book. Not only was it informative but the pictures were wonderful. This is definitely a coffee table keeper. My family and I are from Bridgeport and have moved from the area over 15 years. I still have relatives and family always taking the book or browsing through it.1 of 2 people found the following review helpful. excellent readingBy A Customerloved the book but cannot find the first edition of this book .please help me locate it in any form.
