Kevin Callan : Ontario's Lost Canoe Routes before purchasing it in order to gage whether or not it would be worth my time, and all praised Ontario's Lost Canoe Routes:

Looking for the path less paddled? Veteran paddler Kevin Callan's seventh book guides us along lesser-known waterways in the lake- and river-rich paddling mecca of Ontario. Tired of counting red canoes like VWs on the highway? Fed up with portage line-ups? Get lost with one of Ontario's most popular canoeing guides. Includes detailed

trip descriptions, maps of all access points, accurate portage lengths, tips, advice, history, folklore, and Callan's trademark self-effacing anecdotes of his encounters with bugs, fish, wildlife, whitewater, weather and campsite gremlins.

I was able to see firsthand the care, research and attention to detail that Kevin puts into his canoe guides. Kevin is a dedicated wilderness canoeist determined to preserve the backcountry and the ancient routes through it. (Boris Swidersky Wilderness Journal) About the Author With eight titles to his credit, Kevin Callan is the leading author of books on canoeing in Ontario.
